Dear Hockey Patrons

We are in the midst of coming into the 2016-17 seasons and that's exciting. With that I am writing to you to inform you that Hockey is alive and well at the Dan Kostel Recreation Center.

We will experience one change in that being Mr. Doug Cimperman will be moving on from his position as Hockey Coordinator for our Youth Munny Hockey program this coming season. Through conversation, Doug has brought to my attention that his family and work at this time must come first and feels his commitment may be impacted because of changes occurring.

I want to thank Doug for his time, commitment and service to our city and program over the years. He was the President of the Booster Club prior to me making his appointment to Coordinator. In both capacities, he filled a need and did an outstanding job during a transitional period. His commitment has not gone unnoticed and is truly appreciated for his time spent.

With that, I have made a decision to appoint and bring on Mr. Brian Carson as the new Hockey Coordinator; Brian brings a wealth of experience to our facility and Hockey Family. Brian has been on skate's since he was 8 years old and has never left the ice. His coaching experience from youth level to High School Hockey embraces a total knowledge of our sport at the various levels. His past experience as Hockey Coordinator for Parma program also brings a wealth of knowledge from scheduling to tournaments to this position.

I would ask all to welcome Mr. Brian Carson to his new position for the upcoming 2016-17 season.

Sincerely

Robert A. Dobies Sr.
Director of Parks & Recreation
