

**AVAILABLE BY PERMIT**

**POOL RENTALS FOR SWIM TEAMS & SWIM MEETS**

Our Olympic size “L” shaped swimming pool was built in 1969, and holds 406,000 gallons of water.

We have lane lines to accommodate 50 meter and 25 meter swim team practices and swim meets.

We can offer 9:00 am—1:00 pm Monday through Friday for practices, and with enough notice we can accommodate usage for swim meets during the evening hours, we can also offer flexibility on weekends. Permits will be issued and charged for by the hour.
