

Garfield Heights Police Department Child Safety & Bicycle Event

Please join us on July 9th from 10am until Noon at the Garfield Heights High School!

We will be providing parents with their child's very own identification cards, bicycle helmets (for those who registered) and bicycle registration stickers.

Please be sure to bring your children, so they can have their pictures taken for their ID's and their bicycles, so GHPD can attach their registration stickers on it.

Please complete the questionnaire & bring it with you to ensure a fast process.

We will have light snacks, water and even face painting!
