Bulldog Hockey History

- **The Garfield Hts. Youth Hockey Program is one of the oldest programs in the Greater Cleveland area. The program has a history of producing some very good players as well as some very good teams. 2020 will begin the program's 52nd season. From our humble beginnings in 1968, Garfield Hts., was, and still is, a hockey hub in the Greater Cleveland area. The hockey program & booster club has always maintained a very good relationship with the City and it's leaders. The booster club has a great reputation for putting on the best run tournaments in North East Ohio, through the tireless efforts of volunteers.**
