Dear Hockey Patrons

We are in the midst of coming into the 2020-2021 seasons and that's exciting. With that I am writing to you to inform you that Hockey is alive and well at the Dan Kostel Recreation Center, as we move forward with our scheduled September 14<sup>th</sup> opening date.

We have made a decision to appoint Mr. Jim DiRosa as the new Hockey Coordinator; Jim brings a wealth of experience to our facility and Hockey Family. Jim has been on skate's since he was a tot and has never left the ice. His coaching experience from our Municipal youth level to High School Hockey embraces a total knowledge of our sport at the various levels, and also brings a wealth of knowledge from scheduling to tournaments to this position.

I would ask all to welcome Mr. Jim DiRosa to his new position for the upcoming 2020-2021 season.

Sincerely,
